Don't Tell My Mother I Flew Over the Cuckoo's Nest Don't Tell My Mother I Flew Over the Cuckoo's Nest is a book written by Clay McShane and released by Simon & Schuster in 1990. The book tells the story of a young, overweight, and underachieving teenager named Jimmy Grits, who goes to a state home to be committed by his alcoholic father. His father spends his time drinking, partying, and molesting other children while Jimmy is confined to an insane asylum. The story focuses on Jimmy's tortuous attempt to get his freedom and his strange relationships with some of the other patients. The book tells the true story of a character named Mark Antony, a schizophrenic patient and murderer of a mental patient named Robert Ressler. When McShane was attending a reading of the book in Chicago, a group of anti-psychiatry activists ripped his shirt off, and marched towards him with a noose tied to a stick. Awards McShane won the Lambda Literary Award for gay erotica in 1991 for Best Novel for Don't Tell My Mother I Flew Over the Cuckoo's Nest.
